

Uniforms / Swap Closet

Please make note of the following rules regarding our logo and branding:

✓ NEW LOGO (Shield)

All new apparel must be ordered with the new logo design.
Uniforms may be ordered through either/or supplier:

Tommy Hilfiger: www.globalschoolwear.com

Land's End: www.landsend.com/co/account/school-uniforms

CAN STUDENTS WEAR THE OLD LOGO? (Earth Eagle)

"Vintage Wear" may still be worn if taken from the swap closet.
We will keep the old logo in circulation until it gets faded out.

All uniforms must be in good clean condition.

*Please do not return stained or torn clothes to the swap closet.

We have a free "**Swap Closet**" you are welcomed to go through. No need to make an appointment, simply come in anytime during the school day and inform the main office you would like to look through or drop-off items. Most of the options available in the Swap Closet are basic uniforms, khaki pants and polo shirts. Dress uniforms are few and very limited. Dress shoes in good condition may be added this year. Please hang up your clothes!
